SUMMARY

Aspiring Data Analyst and Software Developer with skills in Python, SQL, Power BI, Pandas, NumPy, and Web Development. Experienced in building data-driven applications, analytics dashboards, and machine learning solutions.

TECHNICAL SKILLS

Programming	Database	Data Analysis	Web Development	Tools	Design / UI-UX:
- Python - PHP	- SQL - MySQL - PostgreSQL	- Power BI - Excel	- HTML - CSS	- Git - Canva - MS Office	Figma

INTERNSHIP EXPERIENCE

Web Developer Intern, University of Madras, Chennai

Jan 2026 - April 2026

- Developing a Distance Education Admission Portal using PHP, HTML, CSS, and PostgreSQL.
- Implementing database integration, form validation, and admin panel features for managing student applications.

Software Developer Intern, NASO Technologies Pvt. Ltd., Chennai

May 2025 - June 2025

- Developed a Music Recommendation System using Python, Flask, Librosa, and NLP to recommend songs based on audio uploads and mood-based text queries.
- Implemented audio feature extraction and similarity matching to improve recommendation accuracy.
- Integrated Spotify API to display album artwork and song preview playback.

PROJECT

AI Tools Usage Analytics Platform

- Built a data analytics dashboard using PCA, correlation analysis, and Random Forest to analyze student AI tool usage and generate insights.

Tiger Stripe Recognition System

- Built a Python and OpenCV-based computer vision system to identify tigers using stripe detection, Hu-moment features, and similarity matching.

Movie Ticket Booking Website

- Built a PHP–MySQL web application for movie ticket booking with user login, show listings, and seat selection.

EDUCATION

M.Sc Computer Science, University of Madras , Pursuing

Aug 2025 - April 2026

B.Sc Computer Science, Rajiv Gandhi Arts and Science College, CGPA: 7.16

Aug 2021 - May 2024

HSC - 86%, Jothi Vallalar Higher Secondary School

June 2020 - May 2021

ADDITIONAL INFORMATION

- Languages:** English, Tamil.
- Certifications:** Data Analytics with Generative AI - Simplilearn (Aug 2025) .
